

CHARALAMPOS L. AGIROPOULOS, PhD

Non-Executive Director | Risk, Investment & Governance Executive | Assistant Professor of Economics

Department of Economics, University of Piraeus

hagyropoylos@gmail.com | +30 697 3326 978 | [LinkedIn](#)

BOARD & GOVERNANCE PROFILE

Board director and senior risk, investment and governance executive who pairs C-suite leadership in financial services — Chief Executive Officer and Chief Risk & Investment Officer at TMEDE — with PhD-level econometric and financial expertise. Board-level experience spans a listed systemic bank, regulated funds and public institutions, with direct command of audit, risk, investment, regulatory and ESG matters. Qualifies as an audit-committee financial expert and is available for non-executive and independent director mandates across banking and financial institutions, listed companies and state-owned entities in Greece and the EU.

Governance & Board Competencies: Corporate governance, audit committee (financial expert), risk committee, investment committee, internal audit, regulatory & compliance, credit risk, ESG & sustainability, digital transformation and data/AI governance, strategy and capital allocation.

Sector Experience: Banking and financial services, insurance, microfinance, energy, public sector and government, education, technology and data.

Board Availability: Non-executive and independent non-executive director (NED/INED) and shareholder-nominated roles; Greece and the EU; working languages Greek and English.

RESEARCH INTERESTS

Applied Econometrics • AI in Economics • Computational Finance • Sustainable Economics • Energy Economics • Regulatory Policy • Machine Learning in Economics • Shadow Economy • Financial Markets • Demographics & Pension System Sustainability • Spatial Econometrics • Big Data Analytics

PROFESSIONAL EXPERIENCE

Beyond his academic research, Dr. Agiropoulos possesses substantial experience in quantitative analysis and strategic leadership, which strengthens his ability to coordinate interdisciplinary research projects with a clear impact at the public-policy level.

Chief Executive Officer (CEO)

TMEDE Microfinance Solutions S.A.

Strategic management of financing programmes and regulatory compliance.

2021 – 2024

Athens, Greece

Chief Risk & Investment Officer (CRO)

Engineers and Public Works Contractors' Fund (TMEDE)

Risk modelling, internal audit, and due diligence on large-scale public-sector projects.

2018 – 2022

Athens, Greece

Associate in Big Data Machine Learning

Telesto Technologies

Recommender systems and analytical methods for complex data problems.

2020 – 2021

Athens, Greece

Regional Head of Analysts, South-Eastern Europe

EOS Matrix Group S.A.

Credit scoring and Big Data portfolio analytics across Eastern European markets.

2007 – 2011

BOARD MEMBERSHIPS & GOVERNANCE ROLES

- Board Observer (non-voting), Board of Directors — Attica Bank S.A. (listed systemic bank), nominated by TMEDE as major shareholder (2023 – 2024)
- Board Member (Non-Executive Director), TMEDE Microfinance Solutions S.A. (2022 – present)
- Member, Investment Committee — HDB-TMEDE Fund, Ministry of Development (2021 – present)

- Board Member, Institute of Educational Policy (IEP) (2026 – present)

PUBLIC POLICY & ADVISORY APPOINTMENTS

- Deputy Chair, Committee for Flagship Investments of Exceptional Importance — Ministry of Development (2025)
- Member, Scientific Committee on Digital Educational Tools — Ministry of Education, Religious Affairs & Sports (2025–2026)

EDUCATION

PhD in Economics / Econometrics	2018
<i>University of Piraeus, Department of Economics</i>	Piraeus, Greece
MSc in Applied Statistics	2007
<i>University of Piraeus, Department of Statistics & Insurance Science</i>	Piraeus, Greece
BSc in Mathematics	2002
<i>National and Kapodistrian University of Athens, Department of Mathematics</i>	Athens, Greece

ACADEMIC POSITIONS

Assistant Professor — Quantitative Methods in Economic Theory	2024 – Present
<i>University of Piraeus, Department of Economics</i>	Piraeus, Greece
Postdoctoral Researcher (Senior)	2019 – 2024
<i>University of Piraeus, Department of International & European Studies</i>	Piraeus, Greece
European Economic Policy: The impact of the shadow economy on EU competitiveness.	
Adjunct Lecturer (across various Departments)	2019 – 2024
<i>University of Piraeus</i>	Piraeus, Greece
Courses: Monetary & Financial System, Investment Appraisal, Spatial Analysis, Regulatory Policy, Auditing, Economic Analysis.	
Teaching Assistant — Department of Economics	2013 – 2020
<i>University of Piraeus</i>	Piraeus, Greece
Econometrics (Undergraduate), Qualitative Methods (Postgraduate).	
Adjunct Lecturer — International Universities	2014 – 2018
<i>University of Bolton (UK), University of Greenwich (UK), University of Toulouse (France)</i>	
Research Methodology, Strategic Management, Financial Management, Applied Mathematics.	

RESEARCH POSITIONS

Senior Researcher — Computational Finance & Econometrics	2023 – Present
<i>Gnosis Research Center, Illinois Institute of Technology</i>	Chicago, USA
Computational Finance and Computational Econometrics; collaboration with Associate Professor Anthony Kougka.	
Researcher — Econometric Theory	2013 – 2019
<i>University of Piraeus, Department of Economics</i>	Piraeus, Greece
Modelling of spurious regression, trend analysis, power and size of t-tests under serial correlation.	
Researcher — Labour Economics	2019 – 2020
<i>National Institute of Labour & Human Resources (EIEAD)</i>	Athens, Greece
Labour Market Diagnosis Mechanism (LMDM) — National-scale employment analytics.	
Researcher — Environmental Economics	2014 – 2017
<i>Greek Atomic Energy Commission (EEAE)</i>	Athens, Greece

METHODOLOGICAL & TECHNICAL EXPERTISE

Econometric Methods: Panel data, spatial econometrics, time-series analysis, spurious regression, credit rating, Monte Carlo simulation, VAR/VECM, GMM.

Machine Learning: Unsupervised learning, clustering, recommender systems, predictive manifolds, machine learning on financial time-series.

Software: R, Stata, SPSS, Python, SQL, Excel (expert); MATLAB, SAS, Oracle, LaTeX, S-Plus (proficient); JavaScript, PHP, Elastic Stack (working knowledge).

HONOURS & AWARDS

- Scholarship from the State Scholarships Foundation (IKY).
- Teaching Excellence Award (2018).
- First-Class Certificate from the Economic Chamber of Greece.
- Honorary Distinction for «Commendable Service» from the Hellenic Army.
